

# Credit Recovery Syllabus

Welcome to the Credit Recovery program!

While enrolled in an e2020 course, you will achieve success every day by completing work in your e2020 courses. We want to ensure that every student has an opportunity to be successful and graduate on time. This document will outline for you how **YOU CAN BE SUCCESSFUL**.

Your teacher's name is: **Michael Sumerton**  
Your teacher's email address is: **sumertom@aaps.k12.mi.us**  
Your teacher's phone number is: **734-945-9658**  
Your teacher's website: **<http://mrsumerton.weebly.com>**

## Daily Goals:

- ✱ Respect everyone in class: your teachers, other students, and yourself.
- ✱ Be in your seat when the bell rings, otherwise you will be considered late.
- ✱ Immediately log into the Virtual Classroom: <http://student.education2020.com>
- ✱ Complete your e2020 coursework on-time.
- ✱ Earn successful grades on your assessments
  - Quizzes: Minimum of 70%
  - Tests: Minimum of 70%
  - Cumulative Exams: Minimum of 70%
- ✱ Remain on-task during the entire class
  - You are not allowed to have any kind of gadget in class. No mp3 players, iPods, cell phones, cameras, CD players or ANY other type of device that keeps you from getting your work done. Only ear buds or headsets are allowed for use with the e2020 program.
  - Minimize speaking with other students during class unless you are assigned a peer tutor. The more focused you are on the material, the quicker you'll recover your credit and the better your scores will be.
- ✱ Pay attention to the video lectures in your courses—these lectures hold the key to your success, as they are where you will learn what you need in order to pass the assessments
- ✱ If you have any questions while working in your courses, contact your teacher in one of the following ways:
  - Raise your hand
  - If you are working from home, you may also send me a text or an email. I check in often and will do my best to get back to you quickly. Please remember that after school ... crazy as it sounds ... I have a family and a life though. I won't always be in front of my laptop, waiting for your text! ☺
- ✱ Always make sure your work area is clean before you leave.

- ✱ Always log out of the Virtual Classroom properly and log off the computer at the end of the class period
- ✱ Please don't stand by the door waiting for the bell to ring. Stay in your seat!

**Everyone wants you to be successful:** your teachers, your parents, and, hopefully, you do too! Because it is so important to follow the guidelines set forth in this document in order to achieve that success, we've created Rewards and Consequences that appropriately address your behavior and work ethic.

**Consequences for Behavior:**

- ✱ Daily Participation
  - If you are not on task you won't get work done. If you don't get work done you won't finish the class.
  - If you bring non-school related gadgets (phones, mp3 players, iPods, etc...) into class and your teacher sees them, your teacher will follow school policy and turn them into the school administrators.

**WE ARE HERE TO HELP YOU SUCCEED.** If you have a problem or question, please come speak with your teacher. We will happily work with you to help ensure your success.
